

Press release: Rome, 8<sup>th</sup> April 2021 - for immediate release

## **World Sleep Congress 2022 to be held in Rome – Ega worldwide congresses & events formally contracted as DMC service provider.**

Ega worldwide congresses & events is happy to announce that World Sleep Society has decided to hold its first face-to-face congress after the COVID-19 pandemic from 11<sup>th</sup> to 16<sup>th</sup> March 2022 at the Nuvola Convention Centre in the Eternal City Rome and have contracted them as their DMC service provider.

The international Congress of World Sleep Society is the most important meeting of Sleep Research Scientists worldwide. In Vancouver (Canada) at the last in-person congress in 2019, over 4.000 participants enjoyed a vast scientific programme with 12 keynotes, 89 symposia, 17 courses, 10 panel discussions and 192 oral abstract presentations. The 2022 edition will be hosted by the Italian Association of Sleep Medicine (AIMS) with the goal to showcase the national society with an in-person meeting to the global sleep medicine and research audience.

Birgit Högl, MD, president of World Sleep Society and Professor of Neurology and Sleep Medicine says: “We look forward to gathering in-person with our sleep medicine colleagues in Rome. Our congress will once again provide the unique opportunities and experiences that in-person meetings allow.”

“I am honoured that World Sleep Society has decided to hold the World Sleep Congress 2022 in Rome together with our member Ega worldwide as DMC. This is a very important signal for a positive restart of our business after the COVID-19 Pandemic and we will do our utmost to support this outstanding international meeting” adds Stefano Fiori, President of the Convention Bureau Roma & Lazio.

“We are very satisfied that World Sleep Society has chosen our company to deliver the different DMC and onsite services for their congress in Rome acknowledging our highly professional services and the passion and attitude of our staff”, says Alain Pittet, Executive Director of Ega worldwide.
